## How to find us

**From the north or south** leave the M1 at junction 24, 25 or 26 and follow signs for Nottingham

**From the west** follow the A52 towards Nottingham

On approaching the outskirts of the city, follow the Nottingham ring road and signs for the A52 to Grantham

After crossing the River Trent (Clifton Bridge), the next roundabout is known locally as the Nottingham Knight, though the pub of that name has now changed to Millers with a Premier Lodge attached

Take the first exit at this roundabout, signed to West Bridgford A60 and Nottingham South and Wilford Industrial Estate.

\* Turn left at the traffic lights after the pub onto Europa Way, following signs to Wilford Industrial Estate

Follow this road down the hill, turning right at the mini-roundabout onto Landmere Lane and continue to follow signs for Nottingham South and Wilford Industrial Estate

At the t-junction at the bottom of the hill turn right onto Ruddington Lane and then take first right turn into the Nottingham South and Wilford Industrial Estate

Then take the first right turn before Trentpack Machinery Ltd and follow this road round to the right onto the Wilford Business Park

TMG Support is the first silver and blue building on the right in the Wilford Business Park with visitors' car parking just inside the entrance

**From the east** on approaching the outskirts of Nottingham follow the ring road signs for the A52 towards Derby. At the Nottingham Knight roundabout, (now the Millers pub and Premier Lodge) turn right following signs to West Bridgford A60 and Nottingham South and Wilford Industrial Estate. Then pick up the directions from the star above
